THE PICTURE BOOK:

# 'EXTRAVAGANCE'

This children's book uses a visual language reminiscent of traditional Chinese paintings to tell a story about a story in ancient China when people were encouraged to be thrifty and diligent.

This is the picture book that conveys the importance of teamwork to children through an adventurous story. In this project, I emphasized the narrative about unity and friendship by using warm colors and distinctive character designs.

Long, long ago, the homeland of a knight was destroyed by an evil dragon.

"Now the dragon is dead. My hometown is gone too." The knight said. "Where should I go now?"
